

# Coolidge Chess Club

Coolidge Chess Club meets after school on Tuesdays in the Art Room starting October 13 and runs through April 19. We have 2 great Chess Masters to help with the club. Mr. Craig Brophy and Mr. John Denny, former Coolidge parents, have helped with chess club for many years and we are so excited to have them back to teach our kids the fun and rewarding game of chess.

Chess Club is open to all Coolidge students in grades 2-5. We start right after school and end at 4:30 pm. We do ask that you are prompt in picking up your child. Again, we will start on Tuesday October 13<sup>th</sup> and end April 19<sup>th</sup>. For the first few weeks, we review and teach newer players to chess the basics, so all are skills level are welcome.

Please fill out the form below and send it with your child by October 13<sup>th</sup>. They must return the completed form in order to come to chess club. They can turn in at the office or bring with them on October 13. Attendance is not required every week until we start the pyramid chess tournament. Even then it is okay to miss a few times if needed. More detailed information will be sent home at a later date. Please feel free to contact me if you have any questions.
