Dear Parent/Guardian

Please read this information to decide if a camp experience is right for your child.

ABOUT CAMP TANAGER

Camp Tanager was established in 1926 and has been offering free and reduced camperships for over half a century. Today, Camp Tanager serves over 600 campers each summer. Children are referred to camp by their school counselors. This free camp permits all children, regardless of income, the chance to enjoy a wonderful experience that combines fun and learning.

WHAT IS CAMP ALL ABOUT?

Camp is a warm, nurturing place where a child comes to learn, builds lasting friendships, create wonderful memories, and has tons of fun! Camp is about growing, building social skills, enhancing self-esteem and becoming a better person. Camp Tanager provides a safe, positive and friendly environment, empowering our campers, and helping them learn life skills such as the values of sharing, integrity, responsibility, and respect. We believe every camper should have the same opportunity for an incredible, safe, and fun filled summer camp experience.

ACTIVITIES AT CAMP

Campers may participate in a wide variety of traditional camping activities including; swimming, singing camp songs, sports and games, educational speakers, hiking, physical activities, arts & crafts, archery and nature studies. Campers will have the opportunity to make new friends and enjoy outdoor fun, while developing their physical and social skills. Camp is above all, a fun, loving, safe place to be. Many hours are spent laughing, playing games and doing all the things children love to do.

CAMP TANAGER STAFF

The success of our camp is due to the vital role our staff plays in your child's camp experience. Each summer we go to great lengths to find the most dedicated and experienced counselors. A more experienced staff ensures a warm, nurturing environment for our campers, which is essential for a positive camp experience. Camp Tanager staff attend a 6 day pre-camp training program, giving them the tools to provide the best possible experience for your child. All Camp Tanager staff are certified in First Aid and CPR and have been given thorough background checks.
