

ORDERING SCRIP ONLINE

ShopWithScrip.com is an online ordering system that we would like to start using to place scrip orders. Many of you have already registered and this has saved me an enormous amount of time when placing orders! Now I would like to transition so that all orders are placed online. This site not only saves me time, but it offers you convenience as well – you can now order scrip from any internet-connected computer at home, school or office and it remembers what you order most frequently.

Who can use ShopWithScrip?

Any family, even friends and extended family, can use ShopWithScrip. To place orders, each family will have to create a free account at ShopWithScrip.com and identify their self as a member of our organization with the enrollment code shown below. Feel free to pass the good word to anyone you think would like to support Coolidge through buying SCRIP!!!

How to register

To register with ShopWithScrip, first open up your web browser, and go to www.shopwithscrip.com. To register a new account, go to the green "Family Sign Up!" box on the left side, and click "Create Account". Follow the simple registration instructions and accept the terms and conditions of using the site.

The next screen you will see is called "join an organization". Before you can place an order, you must join our organization by entering our organization's enrollment. The enrollment code for Coolidge is **27E8FL5E131L** - by associating this code with your newly-created account, the ShopWithScrip system will correlate your shopping activity with Coolidge PTA.

Using ShopWithScrip.com

You can manage your account through the Account Dashboard. To access your Dashboard, click on the fifth tab, "My Account", at the top of any page. From here, you can check your account activity, change your profile and password, add, remove, and modify organizations you belong to and read coordinator and site announcements.

Ordering Scrip

To order scrip, navigate to the order page by clicking "Shop" at the top of any page. ShopWithScrip has hundreds of different retail brands, so the order page organizes products by category. Some categories may have several pages of selections. To find a product, jump to the appropriate section, or enter all or part of the retailer name in the search box. If you want to order from a local business, search on Coolidge to get a complete listing. You can also download a complete list of all products as a handy reference.

You can also click on the Favorites icon on the upper right side to choose from items you have ordered in the past. Clicking on the Express Add icon will allow you to start entering the name of the business and add from this screen.

Select items and quantities on the worksheet, and press the "add to cart" button to add them to your shopping cart. Click the "check out" button when you have completed your selections. Review your order, and press the "finish" button to submit your order.

Finally, you will see an "order confirmation page". Print this order confirmation page, and send it to school with your payment. Please remember to indicate on this page what student to send your order home with and who his/her teacher is this year.
